### **PROVISIONAL CYBERSECURITY SERVICE PROVIDER LICENCE**

This **Provisional Cybersecurity Service Provider Licence** is hereby granted to **Information Security Architects Limited** (hereinafter referred to as the "Licensee") having fulfilled the requirements for Provisional Licence subject to the following terms and conditions in accordance with Section 51(3) of the Cybersecurity Act, 2020 (Act 1038).

1. This Provisional Licence is subject to the provisions of Act 1038 and any law amending same. Any reference to Act 1038 shall include any subsidiary legislation, directives, and guidelines made pursuant thereto.
2. This provisional licence authorises the Licensee to provide the following cybersecurity services;

S/N	SERVICE	TIER
1.	Vulnerability Assessment and Penetration Testing (VAPT)	<b>Tier 1</b>
2.	Managed Cybersecurity Services (MCS)	
3.	Cybersecurity Training (CT)	

while the Licensee submits the remaining requirements to obtain a Licence.

3. The Licensee may provide a cybersecurity service to a Critical Information Infrastructure (CII) Owner, a Government Institution or any other institution or person.
4. This Provisional licence is valid for One Hundred and Eighty (180) Days from the date of the issuance of the licence.
5. The Licensee shall ensure and guarantees that the personnel responsible for providing cybersecurity services in the entity are Cybersecurity Professionals accredited by the Authority in the relevant area of expertise.
6. The Directors, Employees, Agents, Assigns, Third-party Contractors, and any other person affiliated with the Licensee shall not make any false representation in providing the service, but always observe utmost good faith towards clients, while complying with Act 1038 and all applicable laws including confidentiality and data protection obligations.
7. The licensee shall report a cybersecurity incident to the relevant Sectoral CERT or National CERT within a period of not more than twenty-four (24) hours after the incident is detected.
8. The Licence shall be granted upon the expiration of the validity period of this Provisional Licence subject to the payment of the prescribed fees and fulfilling the applicable requirements as outlined in the Guidelines for the Licensing of Cybersecurity Service Providers.
